

Livestock, Climate and System Resilience: Meet the Initiative Lead, Polly Ericksen

Published 19 Oct 2022

Hear initiative lead, Polly Ericksen, tell us what the Livestock, Climate and System Resilience (LCSR) Initiative is all about, what success would look like and the biggest challenge she faces. She also tells us who her role model is in her professional life as well as what she does in her free time. This video was produced for CGIAR's internal newsletter 'The Feed' for its 'Meet the Lead(-s)' series.
